Public Hearing Regarding Use of CDBG Funds

The Town of Colorado City is expected to receive approximately \$600,000 in federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The Town of Colorado City also intends to apply for potentially \$300,000 in FY 2019 CDBG funds from the State special projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Based on citizen input as well as local and state planning objectives several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at a Town Council meeting at 6:10 p.m. at 25 South Central Street on October 15, 2018 to discuss the potential projects. It is expected that the Town Council will select the final projects at this hearing and adopt applicable resolutions. The potential CDBG projects are as follows:

1. Street improvements on Central Street connection to SR 389
2. Street improvements on Township Avenue from Central Street to Hildale Street
3. Street improvements on Mohave Avenue from Hammon Street to Central Street
4. Street improvements on Mohave Avenue from Central Street to Hildale Street
5. Street and drainage improvements on Cooke Avenue from Lauritzen Street to Central Street
6. Street Improvements on University Avenue from Central Street to Hildale Street
